

3.13 Engaging Parents

The school will provide opportunities for families and the community to contribute to students educational outcomes by positive parental engagement. Therefore the Principal/BOT will:

1. Provide opportunities for parents/whanau and the wider community to engage with the school.
2. Provide information to parents on how they can engage with the school both educationally and socially.
3. Recognise that parental engagement influences children's learning.
4. Encourage families/whanau to engage with the school.
5. Encourage Maori/Pacific families to engage with the school and consult with the wider community as to appropriate ways to engage with these groups.
